How do I, get through one night without you

If I had to live without you

What kind of life would that be?

The three friends looked at each other. Platform 9 Â¾. So much time had passed since the first time they'd stood there. So much time. It passed so quickly.

"So. I guess this is it." Hermione's eyes welled up with tears.

"Yeahâ€¦" Ron answered. "I guess." He looked down at his trunk. Was this really good bye?

" There's always the Owlâ€¦" Harry murmured.

"Yeah. But it's not the sameâ€¦" Hermione wiped her face.

—

I need you when my arms need you to hold.

You're my heart, my voice, my soul.

If you ever leave

You would take away everything good in my life

—

She snapped. She burst into tears as her knees buckled. She threw her arms around the two boys as they knelt down beside her.

"You guys meen everything to me. Please. Please don't go!"

Harry felt warm tears slide down her cheeks.

"Hermione. Life goes on. We will still be friends forever. OK?" He whispered.

Ron turned away. Harry heard sobs coming from him. Harry placed one hand on his shoulder.

"It's not the endâ€¦"

—

And tell me now

How do I live without you

I want to know

How I do I breathe without you

If you ever go

How do I ever

Ever survive

How do I

Oh how do I live

—

Harry helped her to her feet, she was still sobbing.

"Damn it. This is the last time I'm ever gonna see you guys and I have to waste it crying my eyeballs out."

"Hermione don't say that. We'll see each other all the timeâ€¦"

"Oh yeah! Once a decade." She broke down again. But this time she did not fall.

"Let's go." She said, stiffly.

She walked to the barrier, stumbling every so often. Her two friends walked behind her, bowing their heads. They passed through the ticket booth and faced each other.

" I guess this is good-bye.." She choked

" Keep in touchâ€¦"

" I'll miss you guys OKâ€¦ I'll feel like part of me is missing. I already do." Harry sniffed.

They hugged. For a long time. Finally, Hermione broke free.

"I'll see you." She turned away sobbing. All the feeling in her legs gone. The two stared at her retreating figure, then turned to each other.

" Good-bye." They murmured in unison. Harry grinned feebely.

They shook hands and parted. Each in different dirrections.
